Unique business feel, big picture thinking

AMC Commercial Cleaning specialise in a diverse range of commercial cleaning applications for a variety of industries.

Established in 1988 as a family run company, our business is built on the values of honesty, integrity and reliability. We provide premium, and bespoke cleaning solutions to a range of small, medium and large businesses, throughout Australia and New Zealand.

Responding to a need for comprehensive and professional cleaning services, we pride our success on our ability to see our clients, not as numbers, prospects or jobs, but as people. We've built long-standing relationships with leading corporations helping them to achieve their strategic cleaning requirements with our industry leading commercial cleaning solutions.

The AMC Commercial Cleaning team now consists of over 2,500 employees and 500 operatives, with offices located across the country and overseas.

The AMC difference

A unique point of difference, setting us apart from other commercial cleaning companies is our level of professionalism, our innovative cleaning methods and our efficient systems.

AMC Commercial Cleaning holds the prestigious triple quality certification – meaning that our company complies with ISO standards for Environmental, Quality Management, and Occupational Health and Safety. Our processes in these areas reflect the highest industry standard, ensuring our customers receive a cleaning service that is second to none.

Dedicated to high standards of health and safety

We partner with our clients to formulate customised cleaning solutions, ensuring the utmost in cleanliness, safety and hygiene for staff, clients, patients, members and visitors. We're about more than just cleaning. We're about developing relationships with our clients and working with them to find solutions to their needs.

We value the health and safety of our stakeholders, and we also feel very strongly about doing our bit for the environment - that's why we use our own specially formulated, environmentally sensitive products and prioritise innovative cleaning methods.

With industry leading certifications and accreditations, our ability to clean effectively and efficiently is without question. It's why we do what we do that is important. We are committed to achieving excellence within our industry because we believe a clean and safe environment is something that everyone deserves and we believe it's important to look after people.

Here are some other ways that set our company apart from the competition:

- ✓ We use earth and human friendly, non-toxic, safe and effective cleaning products
- ✓ We tailor our services to our client's need and requirements to maximise efficiencies
- ✓ We offer a large range of ancillary specialist cleaning services including carpet cleaning and window cleaning
- ✓ All AMC team members are highly trained and have the relevant security checks in place
- ✓ We perform sundry cleans to everyday cleaning
- ✓ Our Integrated Management System allows clients to monitor their business site activity remotely and assists with regulatory compliance reporting
- ✓ We can reduce the carbon footprint of your office building
- ✓ We believe that everyone is entitled to a clean, safe and healthy working environment.
