AMC SUSTAINABILITY POLICY

Purpose

AMC Commercial Cleaning is committed to responsible procurement practices that support sustainable service delivery. This policy outlines AMC's approach to purchasing goods and services in a way that considers environmental, social, ethical, and commercial factors.

Scope

This policy applies to the procurement of goods and services used in AMC Commercial Cleaning's operations and service delivery, including cleaning chemicals, consumables, equipment, personal protective equipment, uniforms, and any additional services.

Policy Statement

As a commercial cleaning service provider, AMC Commercial Cleaning recognises that procurement decisions play an important role in reducing environmental impact and supporting responsible business practices. AMC is committed to making purchasing decisions that align with operational needs, client expectations, and sustainability objectives.

Commitments

AMC Commercial Cleaning is committed to:

1. Considering sustainability in purchasing decisions where practicable.
2. Selecting goods and services that support safe, efficient, and environmentally responsible operations
3. Giving preference to products that reduce waste, minimise packaging, and improve resource efficiency where suitable.
4. Considering the use of environmentally preferable cleaning chemicals, consumables, equipment, and materials, where suitable for operational and client requirements
5. Seeking environmentally preferable chemicals, consumables, and equipment where they meet operational requirements
6. Engaging suppliers that demonstrate responsible and compliant business practices
7. Promoting fair, transparent, and accountable procurement practices across the business
8. Continuous improvement decisions to support better sustainability outcomes.

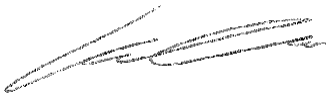

Responsibilities

Management is responsible for supporting the implementation of this policy and ensuring sustainability is considered in procurement activities.

Employees involved in purchasing are responsible for applying this policy when selecting products and services on behalf of AMC Commercial Cleaning.

Review

This policy will be reviewed periodically to ensure it remains relevant, practical, and aligned with AMC Commercial Cleaning's sustainability objectives and operational needs.
